Dedication and Memorial Opportunities

Your Personal Connection to Your Library

Responding to requests that have come into the library, this brochure was created to offer ways to honor or memorialize a family member, friend or organization, or yourself, in a unique long-lasting way. With a tax deductible donation to the Sayville Library for furniture in the new facility, a personal gift becomes a way to serve the community for many years. The furniture at the previous facility had been in use for 45 years, and there is every expectation that the new furniture will last a long time.

A brass plate will be attached to the designated furniture naming the honored or memorialized person, family or organization for whom the donation is made. The listings in this brochure are some of the choices from which you may select, but if you would like some further ideas, please call for an appointment to discuss your wishes with Library Director Alice Lepore - 589-4440 X310. Thank you.
