Bake Sale Friday, June 1, 2018

On Friday June 1, 2018 at 3pm at the Sayville ferry the Friends will once again meet and greet our loyal and expectant customers who look forward to seeing us each year with our offerings of baked goods, breads and other homemade treats for them and their canine pals. For those of you who have already volunteered to offer one of your specialties

SPECIAL POINTS OF INTEREST:

- National Library Week, April 8–14 2018.
- Yard and Collectible Sale April 28, 2018
- May 1, 2018 7pm Elections
- Bake Sale, Sayville Ferry June 1, 2018

for the sale we will remind you of the event. You can be very creative in your wrapping of the items or you can just rely on the Friends committee to do the final presentation. This is one of our most successful fund raisers of the year so all home baked goods are greatly appreciated. Our buyers at the ferry now look for us and our varied selections and they are very generous in their purchases. Caution should be used with icings on baked goods as heat and temperature can alter appearances. If you have an item or items to donate, please call Lorraine (631-589-4965). You may drop off your donation at the library THURSDAY, May 31, after 4 p.m. or on the day of our sale FRIDAY before noon. Thank you for your continued support for the Friends. If you have difficulty delivering your donation to us please let Lorraine know.

WELCOME! WELCOME!

A big welcome to Jennifer Fowler our new library director. Jennifer met with the Friends Board soon after she was officially named to her new position. We enjoyed her visit and we look forward to sharing ideas and plans with her.

NATIONAL LIBRARY WEEK

National Library week was April 8 –14. To honor our many dedicated staff members the Friends invited the library staff to an informal luncheon at the library on Wednesday April 11 to recognize the commitment and wonderful service the staff offers to us, their library patrons. The programs, the technical assistance, the friendly faces at every desk to check out materials and to answer every question contribute to the popularity of our library and the usage it gets. For this we give them a big round of applause. Happy National Library Week! 2018!

CANDIDATE INFORMATION ELECTION 7 p.m.**MAY 1, 2018 AT THE LIBRARY****President—Lorraine Martin**

Lorraine is an original Board member serving first as a vice president and then moving into the president's spot for several terms now. She presides at all business meetings, acts as liaison to the library staff and she is the "Voice" behind the library "HAPPENINGS" column.

Treasurer—Susan McCormick

Susan is an original Friends Board member serving first as president and now, for the last several years, has been its Treasurer. She keeps accounts accurate and up-to-date and files all reports necessary for the Friends at the end of the fiscal year. Her duties also include paying bills and supplying the Board members with budget projections and distributions of funds.

Members -At- Large—Two Year Terms

Marie Mandel: As a recent retiree Marie enjoys doing some more traveling in between helping out on the Friends Board with all of its planning for the year's activities and events. She wishes to remain active in her current position.

Donna Formica: Donna is a long time member of the Sayville community and became involved with the Friends of the Library several years ago. Donna enjoys participating in the events and the programs the library offers and she gravitated to helping out with the Friends to, in some way, "give back" to the library that offers so much to the community.

Yard and Collectible Sale

Our Yard and Collectible Sale will take place at the Sayville Middle School on April 28, 2018 from 9 am—3 pm. We hope it will prove to be a profitable day for many of the vendors and for the Friends of the Library. There are many talented vendors this year at this INDOOR event which takes place rain or shine. The vendors offer many varied and unusual crafts and hand-made items plus homemade jellies, jams, with other attic treasures. Many choice items exchange hands. We thank Dr. Schartner for granting the Friends the opportunity to use the building and to Mr. Murray for such a warm welcome. We look forward to each year's event and encourage even more vendors to participate. You can still be a vendor. Just call Beth at 631-589-5747

Museum Passes

Over the past several years, the Friends have donated the funds to continue offering museum passes to the Sayville community. Many choices are available for family enjoyment such as the Intrepid, the Children's Museum, and the Fire Island Lighthouse. The Vanderbilt Museum, Mansion and Planetarium will be added to the list. The Friends enjoy the positive reactions from those who have already made trips to these fine destinations.
