FRIDAY JUNE 2 BAKE SALE!

Our very popular and profitable bake sale will be held on Friday June 2 at the Sayville ferries to offer cookies, muffins, cakes, breads, and pies to the Fire Island travelers. We ask all our bakers to consider donating an item or two to the sale. Please wrap your specialty for the sale and refrain from using any icings that may melt in the heat. You can drop your offering at the library on June 1 where the Friends committee will arrange and sort our wares for the sale the next day. We thank you for your participation.

If there is a membership form enclosed, your membership expired!
Please send in new form to renew!

NATIONAL LIBRARY WEEK

There's More to the Story

The American Library Association has designated the week of April 23-29, 2022 as National Library Week. Tuesday of that week, April 25, is set aside to honor, appreciate, acknowledge and thank all those who play a part in the way in which we, as patrons, can once again participate in so many library programs. We have all learned to appreciate the “more” that libraries offer today and not just the comfort of a good book or a place for online access. A host of research possibilities and programs connect in different ways than ever before— music concerts, sewing and cooking classes, arts and crafts, tech help for all ages and fitness classes encompass the very appropriate theme this year “There’s More to the Story.” It extends the invitation to once more take advantage of all the library has to offer its patrons far beyond the four walls of a building. Outreach programs, medical mobile resources, food and clothing drives all benefit our community. From the Library Board members to our director and librarians, the friendly faces behind the desks, the secretarial and custodial staff, and the pages who help keep the shelves in order, we applaud their efforts to keep the community connected to one of our most valuable resources. Their efforts in unique brainstorming find ways to continue the library’s role in our lives.

HAPPY NATIONAL LIBRARY WEEK 2023
