LIBRARY NEWS

G. Elliott Morrison Film Collection

This collection consists of 16mm films that were originally shot by George Elliott Morrison (1897-1938), the owner of the Cedarshore Hotel in Sayville, New York. These home movies and amateur films date from 1927 to 1932 and capture the Morrison family, friends, the Cedarshore Hotel, and its guests. The films found here were sourced from a VHS tape that was made by Webb Nash Morrisson (1926-2022) in 1989 and donated to the library in 2001. The tape was digitized through the Sayville Library's partnership with LILRC's Accessing Archives Project in 2025.
